PROPOSED TEMPORARY CLOSURE OF BROXHILL, ALDERHOLT

I have received an application from WCI Group Ltd to close Broxhill, Alderholt between its junction with Cripplestyle and its junction with Cranborne Road, a distance of approximately 1050 metres. The closure has been requested to allow WCI Group Ltd safe access to install a new foul drain pipe in the highway. These works are programmed to commence from 17th April 2023 until 19th April 2023 with the closure in place 24hrs a day.

WCI Group Ltd will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Jamie Igoe, (trafficteam@dorsetcouncil.gov.uk) by 30 March 2023.
